

Impact Shares YWCA Women's Empowerment ETF - powered by Equileap

Fund Objective

WOMN tracks the Morningstar Women's Empowerment Index built with Equileap's data and scoring methodology, which is designed to provide exposure to companies with strong policies and practices in support of women's empowerment and gender equality.

- **Broad equity market exposure.** WOMN is designed to provide broad market exposure to U.S. Large and Mid-Cap public companies. With WOMN, investors may achieve broad equity market returns while driving social change.
- **Innovative model for social impact.** Impact Shares is a 501(c)(3) non-profit organization that donates all net advisory fees from the management of the WOMN ETF to the YWCA.
- **Women's empowerment.** WOMN uses Equileap data to include companies that align with the YWCA's vision of how corporations can advance women's empowerment and gender equality. Founded in 1858 as a voice for women's issues, YWCA USA represents more than 200 YWCA associations in 46 States and the District of Columbia. YWCAs across the United States serve over 2 million women and families each year in over 1,200 communities.
