

Impact Shares NAACP Minority Empowerment ETF

Fund Objective

NACP tracks the Morningstar Minority Empowerment Index, which is designed to provide exposure to US companies with strong racial and ethnic diversity policies in place, empowering employees irrespective of their race or nationality.

- Broad equity market exposure; racial justice and equality.** NACP is designed to provide broad equity market exposure to U.S. Large and Mid-Cap companies that fit the NAACP's vision of good corporate citizens. With NACP, investors may achieve market returns while investing in a way that is consistent with their values.
- A Nonprofit ETF.** Impact Shares is a 501(c)(3) nonprofit organization, and as such the net advisory proceeds are not passed on to a traditional asset management firm in the form of profits. Instead, Impact Shares gifts the net advisory proceeds back to the NAACP to engage with the private sector to: encourage more racial diversity on boards, eliminate discriminatory hiring pay and promotion practices, increase the use of minority owned suppliers, break down the digital divide, strengthen community development programs and improve workplace health and safety standards.
- Support the NAACP.** Founded in 1909, the historic power of the NAACP in advancing human rights has been transformative, impacting an expansive range of issues within American society from the eradication of lynch mobs, to ensuring equal education (*Brown v. Board of Education*), and ushering in the Civil Rights movement. In the 21st century, the NAACP sees corporate America as the “third act” for the equity movement, with racial and ethnic equity, empowerment, and inclusion the next frontier for the private sector.
- Rigorous, transparent, measurable standards.** The fund's index indicators are in alignment with the NAACP's vision of equality before the law and fair play everywhere. They build on research from Sustainalytics and informed by the NAACP's Racial Equity Industry Report Cards. Screening criteria includes:
 - Board Diversity
 - Discrimination Policies
 - Scope of Social Supplier Racial and Ethnic Diversity Programs
 - Digital Divide Programs
 - Freedom of Association Policies
 - Diversity Programs
 - Supply Chain Monitoring for Racial and Ethnic Diversity
 - Community Development Programs in Minority Communities
 - Minority-Inclusive Health and Safety Management Systems
 - Conflict Minerals Programs
